

Sarah Torfs

CALM 2016-2017 & Master of Arts in Translation , KU Leuven

“Thanks to CALM I was introduced to a number of relevant aspects of the translation industry, which allowed me to start my job search full of confidence. I quickly found a full time job as a project manager in a translation company, where I apply my CALM knowledge on a daily basis. Apart from managing translation projects, I often assist with DTP work in PowerPoint and InDesign and I share my knowledge of CAT tools with my colleagues. Additionally, I often notice that my insight in programming and mark-up languages and regular expressions helps me to solve various problems.”
